- Treasurer: Ann Pereira
- Secretary: Lisa McPherson
- Committee Member: Terry White

The current Committee will remain in place until the Annual General Meeting due to be held on Monday 16th October 2017. Notification will be issued to Members prior.

All Committee positions will be up for election. The Executive Committee thank those who have been involved in the Chamber in the past and welcome inquiries to join the Executive at the AGM.

Several local projects have been identified by the Executive Committee which will remain on the Agenda over the coming months. These projects include progress on the Wauchope Main St Plan, the local road network and related safety and future planning issues, parks gardens and cleanliness of the town, the Canary Palms Centenary and historical celebrations of the rail links to the north. The Motorcycle Friendly Town initiative is a key focus along with the monthly Chamber business meetings which kicked off again in July with the Meet the Candidates evening, held in conjunction with the Wauchope Country Club.
